Claim Your Account

The following website is the new homepage for Oregon EMS licensing providers. https://oregon.imagetrendlicense.com

Directions on the login page give step by step instructions on how to “Claim” an account if a provider is currently licensed with OHA-EMS.

Step 1:
Select “Forgot Username.” This is used for heightened security and can be used as needed for a provider who has forgotten their username.

Step 3:
If the provider has a license with OHA-EMS they will be directed to enter their email address. (This must be an email address that is NOT already in use by another licensee).

The provider will then receive an email with a link.

If the provider does not receive an email within one business day please contact Oregon EMS office at ems.trauma@state.or.us.

Step 4:

The provider will receive an email which looks just like the one to the right.

Note that the Username for the provider is listed, this is generated by the eLicense system.

Click on “HERE” and the provider will be directed to reset/set a password.

Step 6:

The provider will be directed to update their demographics and once complete select “Save”.

The provider has now “claimed their account” and updated their profile.

A provider can now complete an application, print a license, update an address and much more.....
By selecting “Applications” the provider will find available applications based on their profile.

- Renewal applications will be available in the “applications” section during the renewal period.

Here is an example of how a provider license looks.

Each license will have a unique QR code.

When scanned with a QR reader it will access the license verification portion of the OHA-EMS website and provide further verification of the license.
