Experience an exclusive open house and drop in on specially designed classroom activities. Visit our new state-of-the-art digital media studio, look behind the scenes in the Aquarium Science building, and meet the mannequins in our Nursing sim lab. Faculty and students will be on hand to guide you through each activity, answer your questions about our programs, and provide personal insight on the OCCC student experience.

Pearls of Wisdom is hosted by the OCCC Foundation to raise funds in support of OCCC programs and student scholarships, providing local access to quality education. Each \$75 ticket includes dinner, adult beverages, activities, and one raffle ticket (additional raffle tickets available online and at the event). Raffle prizes include beer-of-the-month or spirit-of-the-month packages from Rogue, an overnight stay at Overleaf Lodge with spa credit, and more.
